Islands Trust Offices Open For Business But Closed to the Public

Lekwungen, METULIYE/Victoria, BC – To ensure the health and safety of the people we serve and our staff, we are monitoring public health agency and government information about coronavirus (Covid-19), and adapting operations and taking precautionary measures to address. We know it can be challenging to keep up with the many changes taking place right now, so we appreciate your patience and support. This news release provides new information from our previous release on March 13, 2020.

Offices Open For Business, But Closed to the Public

We are open for business and invite the public to contact us by phone or email. To accommodate prevention measures, all of our main offices (Salt Spring Island, Gabriola Island, and Victoria) are closed to the public effective March 18, 2020 and all planner hours at our smaller on-island offices (Denman Island, Galiano Island, Mayne Island, Pender Island, Saturna Island) have been cancelled. We continue to welcome your calls and emails.

Local Trust Committee Meetings

Local Trust Committee (LTC) meetings are cancelled for the foreseeable future. We are seeking alternatives to live public events, such as electronic meetings, in order to maintain public business. Please visit our website and your local media outlets to keep up to date on the activities of your LTC.

Trust Council and Islands Trust Conservancy Board Meetings

As necessary, we will adapt, change or cancel Trust Council and Islands Trust Conservancy Board meetings in alignment with recommended public health practices.
