

♡ Hello to all my clients. I've missed you! ♡

Thank you for your patience in these trying times. I hope you are well, and have a lot of hair for us to play with. If you aren't detail oriented, you can skip to the boxes on this page and over for most relevant info. If you want to know details of how I will henceforth be providing hair cutting services, please read on.

I have been and will continue to monitor the evolving situation of COVID 19 and the guidelines put in place by our health officials. At this time (**July 23, 2020**) It is safe for me to return to cutting hair, with proper protective gear, and deeper sanitization procedures. If restrictions are put in place again, I will withdraw from hair cutting until after the next green light from authorities.

To keep myself, clients and my family safe, I will no longer be entering people's homes, porches, or personal spaces. I will now drive up your driveway and park my van in an agreeable spot. To effectively carry out newly required sanitizing procedures, my cutting area and tools will be in my new "salon" which slides out the back of my van. I will have my (freshly sanitized for each client) cutting chair with me. Please be patient as we work out any bumps in new procedures.

New sanitizing procedures and longer client transitions mean appointments will take more of my time and energy than before. My costs have also increased significantly. Unfortunately, these factors have resulted in necessary price increases. I am happy to offer sliding scale if you need.

Hair by Riane

Haircuts for all genders - \$35

Special Curly cuts - \$45

sorry, no barbering services at this time

♡♡ sliding scale if you need ♡♡

**If you are unable to make your scheduled appointment
please let me know asap, so I can give your spot to next on the waitlist**

I'm looking forward to visiting with you soon!

Hair by Riane

New ways of doing things! (fun fact: adapting to change keeps our brains resilient)

When I arrive:

- Every client is required to use hand-sanitizer in my presence (provided by me, or use your own if you have sensitivities). I will do the same in your presence.
- You will then read and sign a paper with the Covid declarations (see below).
- You may then have a seat in my freshly sanitized chair.
- I will use a freshly washed and individually packaged cape, for each client.
- All combs, as they always were, are cleaned and sanitized in Barbamol between each use.
- I will have masks available, or use your own if you prefer. Mask wearing is up to you. Please note, we may need to adjust it, as we go, during the haircut.

I will be freshly sanitized and wearing:

- a fresh smock with each client (or family grouping)
- a face visor (freshly sanitized between each client or family grouping)
- masks and/or gloves, if my client prefers

After the haircut:

- I am happy to collect most of the hair, which I will leave for you to dispose of in your compost or garbage.
- My chair, all surfaces, scissors, cutting tools and equipment, and myself are sanitized and stowed safely for transport to my next client.

Covid Declaration (to be read and signed by each client before I can provide service)

- I have not traveled outside of Canada and returned within the last 14 days.
- I have not been in close contact with a person suspected or confirmed to have Covid19.
- I do not have any symptoms of Covid-19 (fever, cough, shortness of breath, body aches, runny nose, congestion, sore throat or difficulty breathing.)
- If I am sick and/or have any symptoms of Covid, I will inform Riane immediately, so we can rebook the appointment.
- I agree to assume all risk and consequence of contact through this haircut.
